

Pet: Buddy

Species: Dog

Breed: Labrador Retriever

Age: 8 years

Owner: Charles Miller

Visit Date: May 20, 2023

Buddy was seen today for itchy skin, which has been ongoing for the past month. Exam revealed signs of a mild allergic reaction. Prescribed an antihistamine (Benadryl) and recommended a hypoallergenic diet for the next month. Suggested a follow-up if symptoms persist.

Procedures:

- Allergy exam: \$60
- Antihistamine prescription: \$20

Total: \$80

Vet: Dr. Jennifer Hall
